

Steps to Becoming a Volunteer at ACE

COMPLETE AN APPLICATION

Complete our online application at ACE4YOUTH.ORG. Once completed, our Volunteer Engagement Team will follow up with you and begin the screening process.

COMPLETE AN INTERVIEW

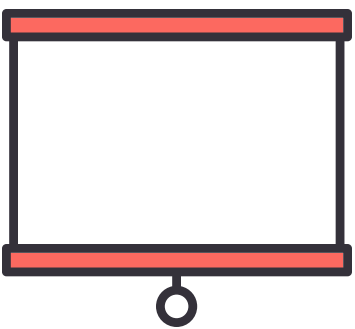

First step in the volunteer screening process is an in person, or telephone, interview with one of our Volunteer Engagement Team Members

PASS A REFERENCE AND/OR BACKGROUND CHECK

All volunteers must pass a reference check. Reference checks may occur either before, or after, a screening interview. Background checks may begin during or after orientation.

ATTEND ORIENTATION

To properly prepare and onboard volunteers for their service experience, all volunteers must attend orientation(s). After orientation volunteer candidates are placed on a 30-60 Exploration Period

MEET AND TRAIN WITH YOUR SUPERVISOR

Your project assignment will begin once you meet with a supervisor. To ensure all volunteers receive proper guidance for their service tasks, all volunteers are assigned a project supervisor.

AGE RESTRICTIONS

Due to insurance requirements, volunteers must be at least 18 years of age for most of our volunteer opportunities. Review the volunteer descriptions you are interested in to see position age requirements
